

SPECIAL AWARDS CLASSES.

Junior

1. Carr MAIXING EASTERN PRINCESS TO GUANEZHOU A cream with dark clean eyes, thick well placed ears.m Good reach of neck and spring of rib, with a high set tail. I would prefer a little more bone. Well balanced and has tight cat feet.

Moved well both ways and excellent presentation.

2. Flavell WILLCHOW MAMMA MIA WITH SIAMDEL Black with a stronger head than one but not overdone. Correct bite, excellent pigmentation, eyes dark and clean, well padded muzzle and thick small ears. I would like more reach of neck. she is well sprung in body and has a high tail set. Well boned, very well presented, just lost out to one on movement.

Post Graduate

1. Brown LECHAN CAPTAIN JACK Black with a pleasing head, thick ears, correct bite, very good pigment and dark clean eyes. Good reach of neck and good spring of rib, tail set on high. For his size I would like more bone. Moved well in both directions, a bit out of coat today.

2. Ridding MIKETILLA MR RAFFLES AT KOMATSU Red with very nice type head, dark, clean, dry eyes, correct bite, thick ears and flat broad skull. Good reach of neck and holds himself nicely. Good tailset, movement OK and very well presented.

3. Southgate's SANTICANA SMOKIN JOE

Open.

1. Douse SHASADEE'S DHIMOND TEE-ARRA Lovely head, eyes dark and clean, excellent pigment, correct bite, thick well placed ears. Good reach of neck and spring of rib, high tailset. Well boned and nicely balanced outline. Well presented and moved correctly both ways.

2. Carr GUANEZHOU SILK N LINEN Nice head with all the same attributes of the one above. She also has good reach to her neck and well sprung body. A bit light in bone for her good size, moved well but tends to be a bit close at the rear. Preferred the overall balance of the first.
